

TEAL IS THE **NEW** **ORANGE**

WHY TEAL PUMPKINS?

FARE's Teal Pumpkin Project® creates a safer, happier Halloween for all! This nationwide movement offers an alternative for kids with food allergies, as well as other children for whom candy is not an option.

WAYS TO GET INVOLVED:

- Provide non-food treats for trick-or-treaters.
- Paint or buy a teal pumpkin to place in front of your home, along with a free printable sign, to indicate you have non-food treats available.
- Shop online for special non-food treats at store.foodallergy.org.
- Make a gift to FARE to support research and programs like the Teal Pumpkin Project.
